About FareShare

This is a great opportunity to join a unique, award-winning organisation. At FareShare, we fight food poverty by tackling food waste. We source food that is surplus to requirements - from food retailers and manufacturers - and engage many volunteers to help redistribute this to local charities and community groups that provide meals to vulnerable people (individuals who are homeless, unemployed, socially isolated, recovering from addictions).

FareShare now operates 21 Regional Centres around the UK. The majority of these are run by local charitable organisations we call our Delivery Partners. This enables us to be a UK-wide organisation yet also think and behave with local concerns at the heart of our actions. We support over 7,000 local charities and groups - our Community Food Members. Over the past year 13,000 tonnes of food were redistributed by FareShare Regional Centres nationwide, feeding 500,000 people every week. We operate across 1,300 towns, cities and villages and we save UK charities and community groups more than £23 million each year.

Hunger is a growing issue in the UK and while there is surplus food that is otherwise going to waste, we believe that this food should be used to feed people first. Demand far outstrips supply.

FareShare's Strategy & Vision

Vision: We have the vision of a UK where "No good food goes to waste".

Mission: To use surplus, fit for consumption, food to feed those who are vulnerable in the UK by supporting front line charitable organisations that tackle the cause and not just the symptoms of food poverty.

Our Purpose: We are doers. We are a community. We change lives.

Our Values:

- **Passion** - for our cause and the challenge that lies ahead
- **Ambition** - to go the extra mile and drive the change that must happen
- **Respect** - for ourselves, each other, our volunteers, our partners and our beneficiaries
- **Collaboration** - it's only by working with others that we can be stronger
- **Focus** - on providing the best service possible so that we deliver the can we achieve the most for our clients/customers.
