Location:	Deptford, London
Contract Type:	Fixed term until end of March 2020
Hours:	35 hours per week
Salary:	£22,000

About FareShare

FareShare now operates 21 Regional Centres around the UK. The majority of these are run by local charitable organisations we call our Delivery Partners. This enables us to be a UK-wide organisation yet also think and behave with local concerns at the heart of our actions. We support 9,653 local charities and groups - our Community Food Members. Over the past year 16,992 tonnes of food were redistributed by FareShare Regional Centres nationwide, feeding 772,000 people every week. We operate across 1,500 towns, cities and villages and we save UK charities and community groups more than £28 million each year.

Hunger is a growing issue in the UK and while there is surplus food that is otherwise going to waste, we believe that this food should be used to feed people first. Demand far outstrips supply.

FareShare's Strategy & Vision

Vision: We have the vision of a UK where “No good food goes to waste”.

Mission: To use surplus, fit for consumption, food to feed those who are vulnerable in the UK by supporting front line charitable organisations that tackle the cause and not just the symptoms of food poverty.

Our Purpose: We are doers. We are a community. We change lives.

Our Values: **Passion** - for our cause and the challenge that lies ahead

Ambition - to go the extra mile and drive the change that must happen

Respect - for ourselves, each other, our volunteers, our partners and our beneficiaries

Collaboration - it's only by working with others that we can be stronger

Focus - on providing the best service possible so that we deliver and achieve the most for our clients/customers.

FareShare aims to be an equal opportunity employer

The role

This important role works closely with over 500 of FareShare's food suppliers to ensure that surplus food is captured and distributed to our 24 warehouses. This key role is at the forefront of ensuring that surplus food reaches the FareShare warehouses, so that it can be distributed on to charities and community groups across the UK. The successful candidate will also work closely with our commercial team, to ensure our food partners receive excellent operational support and customer service. This role sits within the Food Coordination team, which is responsible for managing offers of surplus food from our food partners. The team works daily to liaise with food partners, allocate food, organise transport and logistics, maintain food offer records, and work with transport companies to find the best routes to get food from A to B. We are looking for organised, passionate people who are looking for a busy role with plenty of supply chain challenges. We are continually evolving our processes and working with new companies from across the food industry. If you're a recent graduate, or really excited about working in the charity sector, please apply now.
